

REMARKS

Reconsideration of the present application is respectfully requested.

Claims 1-10, 13-16 and 18 are pending. Claims 1-10 are allowed. Claims 13-16 and 18 are now canceled.

Rejection under 35 USC Section 112, 1st par.

The Examiner has rejected claims 13-16 and 18 for lack of enablement.

Applicants believe that based on guidance in the specification and the knowledge in the art a person of skill in the art would have been able to practice the methods of claims 13-16 and 18 without undue experimentation. However, in the interest of expediting prosecution, claims 13-16 and 18 have been canceled.

Rejection under 35 USC Section 112, 2nd par.

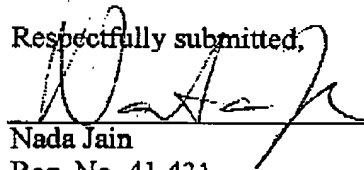

The Examiner has rejected claim 18 as being indefinite and has pointed out its dependence from previously canceled claim 17. Claim 18 has been canceled. Therefore, the rejection is now moot.

Conclusion

In view of the above amendments and remarks, Applicants believe that the application is now in condition for allowance. Early and favorable action to that effect is respectfully requested.
